

## FROM THE SUPERINTENDENT

As we move into the winter, it is absolutely critical that you obey the posted cart traffic signs. When Bermuda grass goes dormant, the turf is not able to heal. Depending on conditions, carts will be restricted to the paths from time to time. Please take note of the cart rules for the day posted on #1 and #10.

RED SIGN=Carts must remain on the paths. No medical exceptions. This sign will be used as little as possible but at times after winter rains it will be necessary.

YELLOW SIGN=Carts must remain on the paths at all times unless you have a medical condition that limits the amount of walking that you can do. Please ask for a flag from the golf shop.

GREEN SIGN=Carts may leave the paths except for holes/ areas that are roped off and par three holes. Still please try to avoid low and worn areas.

Remember to keep all four wheels on the cart path around the tees and greens. Thank you for your help and if you notice anyone not obeying posted signs, please report it to the golf shop immediately.

## THANK YOU

We would like to thank everyone who contributed to the club's employee Christmas Fund. These funds were distributed at the employee Christmas party December 21<sup>st</sup> and the editor would like to report that a good time was had by all.
